Bill Cross  
1244 Longs Peak Avenue  
longmont, CO 80501

Dear Bill Cross,

On behalf of the Longmont Jaycees I wanted to take some time to thank each and every one of you for your time and effort that you and your business put into the Rebuilding Together Project. This was the first year that the Longmont Jaycees have participated in Rebuilding Together Metro Denver's annual event. It was also the first major event that the Longmont Jaycees have ever done. And we are proud to say that it was a success.

I have enclosed a list of sponsors who helped the Longmont Jaycees make this event happen. With out the help of the businesses below we would not have been able to complete the project. I wanted to especially thank Amgen & Budget Home Centers for their generous donations. Amgen sponsored the house and Budget Home Centers provided the materials. Some other business who played a key roll in the completion of this project were Brandt Concrete Works, Cross Concepts LLC., Buffalo Wild Wings, Eagle Electrical Contracting, and Olde Towne Electric.

As a fellow business owner I encourage your patronage to the below businesses. The Longmont Jaycees were excited to see these local business owners not only donate their money and materials, but also their time. It took 5 months of planning and all the business owners and Jaycees working together to enable a mother to be able to get in and out of her children's rooms or even enter the house with her wheel chair. Now she is able to sit on the patio or go in the back yard and play with her kids and watch them experience the simple pleasures in life.

I have enclosed a CD with pictures on it. Feel free to post these on your website or hang them in your business establishment. If you have any questions please, feel free to call me at 720-629-0010. And once again on behalf of the Longmont Jaycees, thank you.

Sincerely,

A handwritten signature in blue ink, appearing to be "Bill Cross", written over a horizontal line.
